### **Re: Notification for the temporary relocation of the Capital Bikeshare Station at I and 21<sup>st</sup> NW due to construction**

#### **Notice # 19-116-PSD**

Dear Chairperson Smith,

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and /or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

DDOT proposes to:

1. Relocate the Capital Bikeshare Station currently located at I and 21<sup>st</sup> St NW on the sidewalk. This is required due to the raise and redevelopment of the 2100 Pennsylvania Ave NW parcel.
2. Place the Bikeshare Station into the curb lane on the north side of the 2000 block of I St NW, occupying 5 metered parking spaces.
3. Return the Capital Bikeshare Station to the sidewalk on the west side of 21<sup>st</sup> St NW once construction has been completed.

This work was discussed with Commissioners Kennedy and Harnett during a site visit on April 22<sup>nd</sup>, 2019.

Please note that DDOT is currently working to obtain a contract for meter work/installation. Meters will be bagged rather than removed.

DDOT anticipates the following benefits from this action:

- Continued usefulness of the Capital Bikeshare Station during construction, including the associated corral which is essential for commuters to the area.
- Compliance with the ANC 2A resolution received on April 2<sup>nd</sup>, 2019 titled “*Expansion of Capacity of Existing Capital Bikeshare Stations in Foggy Bottom and the West End and the Requested Addition of a Station at the Intersection of 21st Street and G Street NW*”

All Comments on this subject matter must be filed in writing, not later than **Tuesday, June 11, 2019**, thirty (30) business days after the date of this notice, with the District Department of Transportation Planning and Sustainability Division, 55 M Street, SE, 5<sup>th</sup> Floor, Washington, DC, 20003 or via email at [aaron.goldbeck@dc.gov](mailto:aaron.goldbeck@dc.gov).
